

Light Industry Cold Room Evaporator with 1-4 Fan Qty Widely Used 220V/380V/415V Power Supply

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

Product Specification

- Color: All Kinds
- Area: 5 - 410m2
- Power Supply: 220V/380V/415V
- Capacity: 2KW~83.6KW
- Fin Distance: 4.5mm Or Customized
- Power Source: Electric
- Widely Used: Chemical Industry, Light Industry
- Fan: Weiguang
- Highlight: **380V Cold Room Evaporator ,
220V Cold Room Evaporator ,
415V Cold Room Evaporator**

Product Description

**Experience the Power of Pure
Refreshing Air with DaMai Air-Cooled Air Cooler**

EVAPORATOR

DaMai Air-Cooled Air Cooler

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space.

With its sleek design and whisper-quiet operation, the DaMai cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast, even air distribution while maintaining eco-friendly performance and low operational costs.

Let DaMai transform your environment into a haven of comfort and freshness — naturally cool, effortlessly powerful.

Product Description:

The air cooler, also known as an evaporator, plays a crucial role in refrigeration systems for cooling air within cold rooms and controlled environments. Its operation involves circulating air over finned coils that contain low-temperature refrigerant, effectively lowering air temperature to establish and uphold ideal storage conditions.

This specialized component is engineered with durable materials and a compact configuration, guaranteeing dependable functionality in various commercial and industrial applications. Thanks to its design, the air cooler is capable of efficiently maintaining the desired conditions for optimal preservation of goods and products.

Features:

- High-efficiency aluminum fin and copper tube heat exchanger
- Low-noise axial or centrifugal fans for uniform air distribution
- Available in ceiling-mounted, wall-mounted, and dual airflow designs
- Electric or hot gas defrost options
- Anti-corrosion coating for long service life in humid environments
- Easy installation, cleaning, and maintenance access

Zhejiang Damai Cold Chian Equipment Co.,Ltd.

Zhejiang Damai Cold Chian Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chian, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Storage	Low Temperature Storage
Widely Used	Chemical Industry, Light Industry
Power Supply	220V/380V/415V
Fan Qty	1-4
Capacity	2KW-83.6KW
Frame	Stainless Steel, Galvanized Steel
Area	5 - 410m2
Power Source	Electric
Fan	Weiguang
Material Of Fin	Aluminum

Applications:

Walk-in freezers and cold storage rooms play a crucial role in ensuring the proper storage of perishable goods. These refrigeration units are essential for preserving food items and extending their shelf life.

Food processing and preservation facilities rely on specialized equipment to maintain optimal temperature and humidity levels. This is necessary to meet strict food safety standards and regulations.

Supermarkets utilize refrigerated display areas to keep products such as fresh produce, dairy, and meats at the ideal temperature. These areas help to maintain the quality and freshness of goods for consumers.

Pharmaceutical and biomedical cold chain environments are designed to store sensitive medications, vaccines, and biological samples at specific temperature ranges. This is critical to preserving the efficacy and integrity of these products.

Logistics centers and distribution warehouses requiring climate control use refrigeration systems to store temperature-sensitive goods during transit and storage. These facilities help to ensure the quality and safety of products throughout the supply chain.

Customization:

Product Customization Services for the Industrial Evaporator - Cold Room Evaporator:

Brand Name: DM

Model Number: DM-COOLER-DD/DJ/DL

Place Of Origin: China

Certification: CE ISO

Minimum Order Quantity: 1
Price: \$1000-\$100000
Packaging Details: Customization
Delivery Time: 20 days
Payment Terms: TT, L/C
Supply Ability: 300,000/Year
Area: 5 - 410m²
Power Supply: 220V/380V/415V
Fan: Weiguang
Widely Used: Chemical Industry, Light Industry
Color: All Kinds
Keywords: Industrial Evaporator, Evaporation Air Cooler, Industrial Evaporator

Support and Services:

The Cold Room Evaporator product comes with comprehensive product technical support and services. Our team of experts is available to assist with any technical inquiries, troubleshooting, and maintenance needs related to the Cold Room Evaporator. Whether you have questions about installation, operation, or general product information, our technical support team is here to help.

FAQ:

Q: What is the brand name of the Cold Room Evaporator?

A: The brand name is DM.

Q: What is the model number of the Cold Room Evaporator?

A: The model number is DM-COOLER-DD/DJ/DL.

Q: Where is the Cold Room Evaporator manufactured?

A: The Cold Room Evaporator is manufactured in China.

Q: What certifications does the Cold Room Evaporator have?

A: The Cold Room Evaporator is certified with CE and ISO.

Q: What is the minimum order quantity for the Cold Room Evaporator?

A: The minimum order quantity is 1.
