

Electric Powered Commercial Evaporative Air Cooler for Long Service Life Performance and Cooling

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

Product Specification

- Air Flow: Horizontal/Vertical
- Material Of Fin: Aluminum
- Transport Package: Transport Package
- Feature: Not Easy To Scale
- Temperature: Customization/12 -31
- Customized: Acceptable
- Power Source: Electric
- Origin: Made In China
- Highlight: **Long Service Life Evaporative Air Cooler,
Commercial Evaporative Air Cooler,
Electric Powered Evaporative Air Cooler**

Product Description

Experience the Power of Pure
Refreshing Air with DaMai Air-Cooled Air Cooler

EVAPORATOR

DaMai Air-Cooled Air Cooler

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space.

With its sleek design and whisper-quiet operation, the DaMai cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast, even air distribution while maintaining eco-friendly performance and low operational costs.

Let DaMai transform your environment into a haven of comfort and freshness — naturally cool, effortlessly powerful.

Product Description:

Engineered for High-Efficiency Cooling: This dual-fan air-cooled evaporator is designed to provide rapid and uniform temperature distribution, making it ideal for medium to large cold storage rooms.

Durable Construction: The evaporator is built with sturdy aluminum fins, copper tubing, and a corrosion-resistant coating, ensuring long-lasting performance and reliability.

Enhanced Airflow: Equipped with twin high-speed axial fans, this unit maximizes airflow to improve heat exchange and reduce energy consumption.

Easy Installation and Maintenance: This evaporator is designed to be easy to install and maintain, making it suitable for a wide range of freezing and refrigeration applications.

Features:

High Efficiency:

Dual high-performance axial fans guarantee rapid and uniform air distribution.

Durable Build:

Copper tubes with aluminum fins and anti-corrosion coating ensure a prolonged lifespan.

Energy Saving:

Optimized heat exchange design lowers power consumption.

Low Noise:

Quiet operation makes it ideal for food storage and processing environments.

Easy Maintenance:

Removable fan guards and accessible components simplify servicing.

Wide Application:

Suitable for cold rooms ranging from -5°C to -25°C, catering to food, pharmaceutical, and logistics industries.

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Feature	Not Easy To Scale
Air Flow	Horizontal/Vertical
Fan Quantity	1pcs To 2,3,4 Pcs
Service Life	Long
Air Area	7m2 To 500m2
Power Source	Electric
Transport Package	Transport Package
Customized	Acceptable
Tube Diameter	9.52mm
Temperature	Customization/12 -31

Applications:

This dual-fan air-cooled evaporator is extensively utilized in various industrial settings such as walk-in freezers, cold storage warehouses, food processing rooms, and distribution centers. It is designed to efficiently maintain low temperatures, making it ideal for preserving a wide range of temperature-sensitive goods including meat, seafood, dairy products, fruits, vegetables, pharmaceuticals, and more.

This evaporator is well-suited for installation in supermarkets, food factories, logistics hubs, and agricultural cold chains. Its dual-fan system ensures effective air circulation, contributing to consistent cooling performance and enhanced preservation of perishable items. The versatility and reliability of this air-cooled evaporator make it a popular choice among businesses seeking efficient refrigeration solutions for their products.

Customization:

Product Customization Services for the Cold Room Evaporator:

Brand Name: DM

Model Number: DM-COOLER-DD/DJ/DL

Place Of Origin: China

Certification: CE ISO

Minimum Order Quantity: 1

Price: 1000-100000

Packaging Details: Customization

Delivery Time: 20 days

Payment Terms: TT, L/C

Supply Ability: 300000/Year

Mounting: Wall / Window Mount

Temperature: Customization/12 -31

Service Life: Long

Customized: Acceptable

Origin: Made In China

Keywords: Evaporation Air Cooler, Air Cooled Evaporator, Evaporator In Refrigeration System

Support and Services:

The Product Technical Support and Services for the Cold Room Evaporator include:

- Installation assistance and guidance
- Troubleshooting and diagnostic support
- Maintenance recommendations and schedules
- Repair services and spare parts availability
- Product training and user manuals
- Warranty information and claims process

FAQ:

Q: What is the Brand Name of the Cold Room Evaporator?

A: The Brand Name is DM.

Q: What is the Model Number of the Cold Room Evaporator?

A: The Model Number is DM-COOLER-DD/DJ/DL.

Q: Where is the Cold Room Evaporator manufactured?

A: It is manufactured in China.

Q: What certifications does the Cold Room Evaporator have?

A: It is certified with CE and ISO.

Q: What is the minimum order quantity for the Cold Room Evaporator?

A: The minimum order quantity is 1.
