Product Description

Experience the Power of Pure
Refreshing Air with DaMai Air-Cooled Air Cooler

EVAPORATOR

DaMai Air-Cooled Air Cooler

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space.

With its sleek design and whisper-quiet operation, the DaMai cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast, even air distribution while maintaining eco-friendly performance and low operational costs.

Let DaMai transform your environment into a haven of comfort and freshness — naturally cool, effortlessly powerful.

Product Description:

Engineered for high-efficiency cooling, this dual-fan air-cooled evaporator is designed to deliver rapid and uniform temperature distribution, making it ideal for medium to large cold storage rooms.

Featuring durable aluminum fins, copper tubing, and a corrosion-resistant coating, this evaporator is built to ensure long-lasting performance and reliability. The inclusion of twin high-speed axial fans serves to maximize airflow, improving heat exchange and reducing energy consumption.

Easy to install and maintain, this evaporator is well-suited for a wide range of freezing and refrigeration applications.

Features:

High Efficiency: Dual high-performance axial fans ensure fast and even air distribution.

Durable Build: Copper tubes with aluminum fins and anti-corrosion coating for extended lifespan.

Energy Saving: Optimized heat exchange design reduces power consumption.

Low Noise: Quiet operation suitable for food storage and processing environments.

Easy Maintenance: Removable fan guards and accessible components simplify servicing.

Wide Application: Suitable for -5°C to -25°C cold rooms, including food, pharma, and logistics.

Zhejiang Damai Cold Chian Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!
