

Electric Cold Room Evaporators Not Easy To Scale for Cooling and Optimal Performance

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

Product Specification

- Air Flow: Horizontal/Vertical
- Air Area: 7m2 To 500m2
- Material Of Fin: Aluminum
- Customized: Acceptable
- Service Life: Long
- Transport Package: Transport Package
- Origin: Made In China
- Tube Diameter: 9.52mm
- Highlight: **Electric Cold Room Evaporators ,
Optimal Performance Cold Room Evaporators**

Product Description

Experience the Power of Pure
Refreshing Air with DaMai Air-Cooled Air Cooler

EVAPORATOR

DaMai Air-Cooled Air Cooler

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space.

With its sleek design and whisper-quiet operation, the DaMai cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast, even air distribution while maintaining eco-friendly performance and low operational costs.

Let DaMai transform your environment into a haven of comfort and freshness — naturally cool, effortlessly powerful.

Product Description:

Engineered for high-efficiency cooling, this dual-fan air-cooled evaporator is designed to deliver rapid and uniform temperature distribution, making it ideal for medium to large cold storage rooms. The evaporator features durable aluminum fins, copper tubing, and a corrosion-resistant coating that guarantees long-lasting performance and reliability.

With twin high-speed axial fans, this evaporator maximizes airflow, enhancing heat exchange and reducing energy consumption. Its design not only ensures effective cooling but also provides energy-saving benefits. Easy to install and maintain, this evaporator is a perfect fit for a wide range of freezing and refrigeration applications.

Features:

High Efficiency:

Dual high-performance axial fans are in place to guarantee rapid and uniform air distribution.

Durable Build:

Crafted from copper tubes with aluminum fins and a special anti-corrosion coating, ensuring an extended lifespan.

Energy Saving:

The optimized heat exchange design has been implemented to cut down on power consumption.

Low Noise:

Operating quietly, this unit is suitable for use in environments such as food storage and processing.

Easy Maintenance:

Featuring removable fan guards and easily accessible components, the system simplifies servicing tasks.

Wide Application:

Catering to temperatures from -5°C to -25°C, these units are versatile for use in a variety of cold rooms including those for food, pharmaceuticals, and logistics.

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Cold Room Evaporators	Technical Parameters
Service Life	Long
Power Source	Electric
Material Of Fin	Aluminum
Origin	Made In China
Air Area	7m2 To 500m2
Customized	Acceptable
Tube Diameter	9.52mm
Mounting	Wall / Window Mount
Transport Package	Transport Package
Air Flow	Horizontal/Vertical

Applications:

This dual-fan air-cooled evaporator is commonly found in various refrigeration settings such as walk-in freezers, cold storage warehouses, food processing rooms, and distribution centers. It is particularly well-suited for the preservation of a wide range of temperature-sensitive items including meat, seafood, dairy products, fruits, vegetables, pharmaceuticals, and more. The versatility of this evaporator makes it a suitable choice for a variety of locations including supermarkets, food factories, logistics hubs, and agricultural cold chains. Its efficient cooling system helps maintain the freshness and quality of perishable goods while ensuring optimal storage conditions to extend their shelf life.

Customization:

Product Customization Services for the Cool Room Evaporators:

Brand Name: DM

Model Number: DM-COOLER-DD/DJ/DL

Place Of Origin: China

Certification: CE ISO

Minimum Order Quantity: 1

Price: 1000-100000

Packaging Details: Customization

Delivery Time: 20 days

Payment Terms: TT, L/C

Supply Ability: 300,000/Year

Fan Quantity: 1pcs to 2,3,4 pcs

Feature: Not Easy To Scale

Material Of Fin: Aluminum

Mounting: Wall / Window Mount

Service Life: Long

Support and Services:

The Product Technical Support and Services for the Cold Room Evaporator include:

- Installation guidance and support
- Troubleshooting assistance for any operational issues
- Regular maintenance recommendations
- Warranty coverage details
- Access to online resources and manuals
- Technical training for maintenance staff

FAQ:

- Q: What is the brand name of the Cold Room Evaporator?** -----
- A: The brand name is DM.
- Q: What is the model number of the Cold Room Evaporator?**
- A: The model number is DM-COOLER-DD/DJ/DL.
- Q: Where is the Cold Room Evaporator manufactured?**
- A: The Cold Room Evaporator is manufactured in China.
- Q: What certifications does the Cold Room Evaporator have?**
- A: The Cold Room Evaporator is certified with CE and ISO.
- Q: What is the minimum order quantity for the Cold Room Evaporator?**
- A: The minimum order quantity is 1.
