

Highly Durable Freezer Room Condensing Unit with Oem Service Yes and HIGHLY Rotor Inverter Compressor

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-UNIT-FNU
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 30 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year

Product Specification

- Power Source: 3Phase
- Warranty: 1 Years Limited
- Oem Service: Yes
- Electricity Required: 3P-380V-50HZ,if Other,please Notice!
- Machinery Test Report: Provided
- Trademark: DM
- Evaporator Fan Motor: ECM
- Compressor Power: 1~40 HP
- Highlight: **Highly Durable Condensing Unit,
HIGHLY Rotor Inverter Compressor Condensing Unit
, Oem Service Yes Condensing Unit**

Product Description

DM-Air Cooler/Evaporator

DM Air Cooler is the four-air-outlet air cooler is specifically engineered for large cold storage rooms requiring uniform temperature distribution. Featuring a triple-directional airflow design, this unit ensures even cooling across wide spaces, minimizing temperature gradients and improving overall storage efficiency. Built with high-quality aluminum fins and copper tubing, it delivers excellent heat exchange performance while maintaining low energy consumption. Ideal for medium to low temperature applications, this air cooler combines reliability, durability, and ease of maintenance.

Product Description:

Built for performance and reliability, this V-Type dual-fan air-cooled condensing unit offers powerful refrigeration capacity with efficient heat dissipation.

The V-shaped condenser design maximizes surface area and airflow, enhancing cooling efficiency even in high ambient temperatures. Equipped with a high-quality compressor, axial fans, and weather-resistant housing, it ensures stable operation for various commercial and industrial refrigeration applications.

Features:

Efficient V-Shaped Design:

The enlarged heat exchange area enhances cooling performance in this cooler with innovative V-shaped design.

Dual High-Speed Fans:

A powerful airflow from the two high-speed fans ensures quick and effective heat dissipation.

Reliable Compressor:

For stable and reliable operation, this cooler uses trusted compressor brands such as Bitzer, Copeland, or equivalent.

Weather-Resistant Casing:

The casings are galvanized and powder-coated to provide exceptional durability in outdoor environments.

Easy Installation & Maintenance:

This cooler features a compact structure with easily accessible components, facilitating both installation and maintenance processes.

Energy Efficient:

Optimized for reduced power consumption and efficient output, making it an environmentally friendly choice for cooling solutions.

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Electricity Required	3P-380V-50HZ,if Other,please Notice!
Compressor	HIGHLY Rotor Inverter Compressor
Type	Air-cooled
Machinery Test Report	Provided
Use Nature	Commercial Refrigeration
Oem Service	Yes
Commercial Refrigeration	HVAC&R Cooling Units
Evaporator Fan Motor	ECM
Power Source	3Phase
Compressor Power	1~40 HP

Applications:

Ideal for a variety of environments including cold rooms, freezer storage, food processing plants, supermarkets, and logistics centers, this product is versatile and adaptable. It is well-suited for both medium and low-temperature applications, making it perfect for storing a wide range of items such as meat, seafood, frozen foods, dairy products, and pharmaceuticals.

Engineered for durability and reliability, this product is specifically designed for long-term outdoor use in various climates, ensuring it can withstand harsh weather conditions while maintaining optimal performance. Its robust construction and high-quality materials make it a dependable solution for preserving perishable goods in a wide range of settings.

Customization:

Product Customization Services for Condensing Unit:

Brand Name: DM

Model Number: DM-UNIT-FNU

Place Of Origin: China

Certification: CE;ISO

Minimum Order Quantity: 1

Price: \$2000~\$100000

Packaging Details: Wooden Case

Delivery Time: 30 Work Days

Payment Terms: T/T;L/C

Supply Ability: 1000000pcs/year

Trademark: DM

Evaporator Fan Motor: ECM

Electricity Required: 3P-380V-50HZ,if Other,please Notice!

Use Nature: Commercial Refrigeration

Warranty: 1 Years Limited

Keywords: Condensing Unit Parts, Commercial Refrigeration Condensing Unit, Freezer Room Condensing Unit

Support and Services:

Product Technical Support and Services for the Condensing Unit:

- Assistance with installation and setup of the condensing unit.
- Troubleshooting guidance for any technical issues that may arise.
- Regular maintenance recommendations to ensure optimal performance.
- Training and resources for proper usage and care of the unit.

FAQ:

Q: What is the brand name of this condensing unit?

A: The brand name is DM.

Q: What is the model number of this condensing unit?

A: The model number is DM-UNIT-FNU.

Q: Where is this condensing unit manufactured?

A: This condensing unit is manufactured in China.

Q: What certifications does this condensing unit have?

A: This condensing unit is certified with CE and ISO.

Q: What is the minimum order quantity for this condensing unit?

A: The minimum order quantity is 1.
