

## 4 Pcs Fan Quantity Cold Room Evaporators for Cold Storage Applications

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

### Product Specification

- Air Throw: 9m 15meters
- Expansion Valve: Danfoss
- Customized: Acceptable
- Standard Power Supply: 380V-3phase-50hz
- Fan Speed: 800-1400rpm
- Fin Distance: 4.5mm Or Customized
- Fan Type: Axial Fan
- Ss Casing: Optional
- Highlight: **Cold Room Evaporators,  
4 Pcs Room Evaporators,  
Cold Storage Applications Room Evaporators**

Product Description

**DM-Evaporator**

**DM-Evaporator** provides powerful and consistent cooling with high energy efficiency, durable performance, and low maintenance — the perfect solution for cold storage, ensuring freshness and reliability in every environment.

Product Description:

Zhejiang Damai Cold Chain Equipment Co., Ltd. is excited to introduce its high-performance air coolers (evaporators) that cater to the strict requirements of contemporary cold storage and refrigeration setups. These evaporators feature an air-cooling mechanism and are furnished with robust axial fans, guaranteeing quick and even air circulation throughout the cold storage space.

~~~~~html

Our evaporators are meticulously crafted to deliver optimal cooling efficiency, making them ideal for maintaining the desired temperature levels in various cold storage facilities. The air-cooled design of our products helps in achieving consistent performance, while the powerful axial fans ensure that the cold room is effectively ventilated.

Features:

- High Performance: Optimized coil design for superior heat exchange efficiency and fast temperature reduction.
- Reliable Operation: Equipped with durable axial flow fans for low-noise, high-airflow performance.
- Anti-Corrosion Design: The casing is made from high-quality aluminum or coated steel, resistant to corrosion and suitable for humid or low-temperature environments.
- Easy Maintenance: Compact structure with convenient access to internal components, making routine maintenance simple and efficient.
- Energy Efficient: Designed for low power consumption while maintaining stable and reliable cooling performance.

**Zhejiang Damai Cold Chian Equipment Co.,Ltd.**

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

|              |            |
|--------------|------------|
| Service Life | Long       |
| Type         | Air Cooler |

|                       |                          |
|-----------------------|--------------------------|
| Customized            | Acceptable               |
| Cooling Type          | Counter Flow             |
| SS Casing             | Optional                 |
| Fan Speed             | 800-1400rpm              |
| Case Material         | Stainless Steel Or Steel |
| Standard Power Supply | 380V-3phase-50hz         |
| Expansion Valve       | Danfoss                  |
| Material              | Aluminum                 |

## Applications:

Cold storage warehouses cater to the storage needs of fruits, vegetables, and meat, ensuring their freshness and preserving quality. These facilities are equipped with temperature-controlled environments to prolong the shelf-life of perishable goods.

In addition to cold storage warehouses, there are specialized frozen food processing plants that offer blast freezing chambers. These chambers rapidly cool down food items to extremely low temperatures, preserving their texture, flavor, and nutritional value.

Pharmaceutical and medical industries rely on cold rooms to store sensitive products, such as vaccines and medications, which require specific temperature conditions to maintain their efficacy. These cold rooms provide a controlled environment to ensure the integrity of these vital healthcare supplies.

Supermarkets, logistics centers, and food distribution facilities depend on cold storage solutions to maintain the quality of fresh produce and perishable goods. By storing items in temperature-controlled environments, these facilities can extend the shelf-life of products and reduce waste.

## Customization:

Product Customization Services for Cold Room Evaporators: .....

Brand Name: DM

Model Number: DM-COOLER-DD/DJ/DL

Place Of Origin: China

Certification: CE ISO

Minimum Order Quantity: 1

Price: 1000-100000

Packaging Details: Customization

Delivery Time: 20 days

Payment Terms: TT, L/C

Supply Ability: 300000/Year

Fan Quantity: 1pcs to 2, 3, 4 pcs  
Cooling Type: Counter Flow  
Service Life: Long  
Fin Distance: 4.5mm or Customized  
Customized: Acceptable  
Keywords: Cool Room Evaporators, Industrial Evaporator, Cold Room Air Cooler

### Support and Services:

The Cold Room Evaporator product is equipped with a comprehensive range of technical support and services to ensure optimal performance and longevity. Our team of trained technicians is available to provide assistance with installation, maintenance, troubleshooting, and repairs. Additionally, we offer regular maintenance plans to keep your Cold Room Evaporator operating efficiently.

### FAQ:

Q: What is the brand name of the Cold Room Evaporator? .....  
A: The brand name is DM.  
Q: What is the model number of the Cold Room Evaporator?  
A: The model number is DM-COOLER-DD/DJ/DL.  
Q: Where is the Cold Room Evaporator manufactured?  
A: The Cold Room Evaporator is manufactured in China.  
Q: What certifications does the Cold Room Evaporator have?  
A: The Cold Room Evaporator is certified with CE and ISO.  
Q: What is the minimum order quantity for the Cold Room Evaporator?  
A: The minimum order quantity is 1.
