

9meters Air Throw Cold Room Evaporator for Blast Freezer Customized Acceptable

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

Product Specification

- Gas: R404A
- Color: White
- Power Source: Electric
- Fin Surface Treatment: Hydrophilic Coating
- Fan Diameter: 300-630mm
- Customized: Acceptable
- Cold Room Type: Blast Freezer
- Storage: Low Temperature Storage
- Highlight: **9meters Cold Room Evaporator,
Blast Freezer Cold Room Evaporator,
Customized Cold Room Evaporator**

Product Description

DM-EVAPORATOR

DM Air-Cooled Air Cooler

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space. With its sleek design and whisper-quiet operation, the DM Air-Cooled Air Cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast even air distribution while maintaining eco-friendly performance and low operational costs.

Product Description:

Zhejiang Damaï Cold Chain Equipment Co., Ltd. is a company that specializes in producing top-quality air-cooled unit coolers specifically engineered for cold storage purposes. Our unit coolers are equipped with axial fans, high-performance aluminum fins, and copper tubes to ensure speedy and consistent air circulation.

These unit coolers are meticulously designed to meet the demanding requirements of cold storage applications. The inclusion of axial fans allows for efficient air flow, while the high-efficiency aluminum fins and copper tubes facilitate fast and uniform air distribution throughout the storage space.

Features:

Fast cooling is achieved through the use of optimized airflow design. This design allows for efficient air circulation, resulting in quicker cooling of the surrounding environment.

A corrosion-resistant coating is applied to improve the durability of the product. This coating helps protect the equipment from damage caused by corrosion, extending its lifespan and ensuring long-term performance.

The product features low noise levels and energy-efficient axial fans. These fans are designed to provide adequate airflow while operating quietly and consuming minimal energy, contributing to a more comfortable and cost-effective cooling solution.

Installation and maintenance of the product is made easy due to its user-friendly design. With simple instructions and accessible components, users can quickly set up and service the equipment, saving time and effort.

The product is compatible with a variety of refrigerants, offering flexibility and versatility in its use. Whether using traditional refrigerants or newer alternatives, users can choose the best option for their specific needs without compatibility issues.

Zhejiang Damaï Cold Chain Equipment Co., Ltd.

Zhejiang Damaï Cold Chain Equipment Co., Ltd. is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damaï Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damaï and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Customized	Acceptable
Fin Surface Treatment	Hydrophilic Coating
Storage	Low Temperature Storage
Cold Room Type	Blast Freezer
Fan Diameter	300-630mm
Air Throw	9 meters
Color	White
Power Source	Electric
Transport Package	Transport Package
Frequency	50Hz

Applications:

Ideal for various applications in cold environments including cold rooms, walk-in freezers, blast freezers, and refrigerated warehouses. This versatile solution is suitable for a wide range of industries such as food, pharmaceuticals, and logistics.

Customization:

Cold Room Air Cooler Product Customization Services:

Brand Name: DM

Model Number: DM-COOLER-DD/DJ/DL

Place Of Origin: China

Certification: CE ISO

Minimum Order Quantity: 1

Price: \$1000-\$100000

Packaging Details: Customization

Delivery Time: 20 days

Payment Terms: TT, L/C

Supply Ability: 300,000/Year

Housing Material: Iron/galvanized Steel/stainless Steel

Fin Surface Treatment: Hydrophilic Coating

Power Source: Electric

Fan Diameter: 300-630mm
Air Throw: 9 meters

Support and Services:

The Cold Room Evaporator product comes with comprehensive Product Technical Support and Services to ensure optimal performance and customer satisfaction. Our team of experts is available to provide installation guidance, troubleshooting assistance, and maintenance recommendations. Additionally, we offer training sessions to educate users on proper usage and care of the product. Our goal is to help you maximize the efficiency and lifespan of your Cold Room Evaporator.

FAQ:

- Q: What is the brand name of the Cold Room Evaporator?
- A: The brand name is DM.
- Q: What are the different model numbers available for the Cold Room Evaporator?
- A: The model numbers available are DM-COOLER-DD, DM-COOLER-DJ, and DM-COOLER-DL.
- Q: Where is the Cold Room Evaporator manufactured?
- A: The Cold Room Evaporator is manufactured in China.
- Q: What certifications does the Cold Room Evaporator have?
- A: The Cold Room Evaporator is certified with CE and ISO.
- Q: What is the minimum order quantity for the Cold Room Evaporator?
- A: The minimum order quantity is 1.
