Product Description

DM-EVAPORATOR

DM Air-Cooled Air Cooler

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space. With its sleek design and whisper-quiet operation, the DM Air-Cooled Air Cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast even air distribution while maintaining eco-friendly performance and low operational costs.

Product Description:

Welcome to Zhejiang Damai Cold Chain Equipment Co., Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd. is a leading manufacturer that focuses on producing top-quality air-cooled unit coolers tailored for cold storage purposes. Our unit coolers showcase state-of-the-art axial fans, high-performance aluminum fins, and copper tubes to ensure swift and consistent air circulation.

With a strong emphasis on innovation and reliability, we are dedicated to delivering products that meet the highest industry standards. Our unit coolers are meticulously crafted to provide efficient cooling solutions for a wide range of cold storage applications.

Features:

Fast cooling is achieved through the use of optimized airflow, ensuring efficient and effective temperature reduction.

The durability of the system is enhanced with a corrosion-resistant coating, providing long-lasting protection against environmental factors.

Low noise and energy-efficient axial fans are incorporated to minimize operational noise levels and conserve energy during cooling processes.

Installation and maintenance are made simple and convenient for users, allowing for ease of setup and upkeep.

This system is compatible with a range of refrigerants, offering flexibility and versatility for different cooling needs and requirements.

Zhejiang Damai Cold Chian Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!
