

## Customized Acceptable Electric Cold Room Evaporator with Hydrophilic Coating Power Source Electric

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

### Product Specification

- Gas: R404A
- Transport Package: Transport Package
- Color: White
- Cold Room Type: Blast Freezer
- Ambient Temperature: -35°C To 45°C
- Air Throw: 9meters
- Power Source: Electric
- Customized: Acceptable
- Highlight: **Hydrophilic Coating Cold Room Evaporator ,  
Electric Cold Room Evaporator ,  
Customized Cold Room Evaporator**

## Product Description

Experience the Power of Pure  
Refreshing Air with DaMai Air-Cooled Air Cooler

## EVAPORATOR

### *DaMai Air-Cooled Air Cooler*

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space.

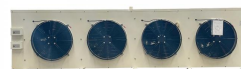

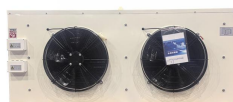

With its sleek design and whisper-quiet operation, the DaMai cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast, even air distribution while maintaining eco-friendly performance and low operational costs.

Let DaMai transform your environment into a haven of comfort and freshness — naturally cool, effortlessly powerful.

## Product Description:

Zhejiang Damaï Cold Chain Equipment Co., Ltd. is a company that specializes in producing high-performance air-cooled unit coolers tailored for cold storage purposes. Our unit coolers are equipped with axial fans, high-efficiency aluminum fins, and copper tubes to ensure quick and consistent air circulation.

We take pride in manufacturing unit coolers that are designed to meet the needs of cold storage applications. With our advanced technology and expertise, we provide solutions that guarantee efficient and reliable performance.

## Features:

### **Fast Cooling with Optimized Airflow**

Experience quick and efficient cooling with our product, which is designed with optimized airflow to maximize its cooling capabilities.

### **Corrosion-Resistant Coating for Durability**

Ensure long-lasting durability with our product's corrosion-resistant coating, providing protection against wear and tear for a reliable performance.

### **Low Noise and Energy-Efficient Axial Fans**

Enjoy a quiet and energy-efficient operation with our axial fans, designed to provide effective cooling without compromising on noise levels or energy consumption.

### **Easy Installation and Maintenance**

Our product offers hassle-free installation and maintenance, making it convenient for users to set up and maintain for optimal performance.

### **Compatible with Various Refrigerants**

Our product is compatible with a wide range of refrigerants, providing flexibility and ease of use for different cooling needs.

### Zhejiang Damai Cold Chian Equipment Co.,Ltd.

Zhejiang Damai Cold Chian Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Fan Quantity	1pcs To 4 Pcs
Fan Diameter	300-630mm
Gas	R404A
Transport Package	Transport Package
Ambient Temperature	-35°C To 45°C
Customized	Acceptable
Color	White
Storage	Low Temperature Storage
Housing Material	Iron/galvanized Steel/stainless Steel
Capcity	38.3KW(R404A)

Applications:

Ideal for use in various environments such as cold rooms, walk-in freezers, blast freezers, and refrigerated warehouses, this product is perfect for storing a wide range of items including food, pharmaceuticals, and logistics.

Whether you are looking to maintain the freshness of perishable goods or ensure the safe storage of important pharmaceutical products, this product is highly suitable for a diverse range of applications in cold storage facilities.

Designed to offer effective temperature control and storage solutions, this versatile product is a valuable asset for businesses operating in industries that require precise temperature management and storage conditions.

## Customization:

Product Customization Services for Cool Room Evaporators: .....

Brand Name: DM

Model Number: DM-COOLER-DD/DJ/DL

Place Of Origin: China

Certification: CE ISO

Minimum Order Quantity: 1

Price: 1000-100000

Packaging Details: Customization

Delivery Time: 20 days

Payment Terms: TT, L/C

Supply Ability: 300000/Year

Fin Surface Treatment: Hydrophilic Coating

Color: White

Ambient Temperature: -35°C To 45°C

Housing Material: Iron/galvanized Steel/stainless Steel

Fan Diameter: 300-630mm

Keywords: Evaporation Air Cooler, Cold Room Air Cooler

## Support and Services:

The Cold Room Evaporator product comes with comprehensive Product Technical Support and Services to ensure smooth operation and customer satisfaction. Our technical support team is dedicated to assisting customers with any product-related queries or issues, providing troubleshooting guidance, maintenance tips, and expert advice.

Furthermore, we offer product installation services to ensure proper setup and functionality. Our team of professionals is trained to handle the installation process efficiently and effectively, guaranteeing optimal performance of the Cold Room Evaporator.

In addition, we provide product training sessions for customers to familiarize themselves with the features and operation of the Cold Room Evaporator. These training sessions aim to empower customers to maximize the benefits of the product and troubleshoot minor issues independently.

## FAQ:

Q: What is the brand name of the Cold Room Evaporator? .....

A: The brand name is DM.

Q: What is the model number of the Cold Room Evaporator?

A: The model number is DM-COOLER-DD/DJ/DL.

Q: Where is the Cold Room Evaporator manufactured?

A: The Cold Room Evaporator is manufactured in China.

Q: What certifications does the Cold Room Evaporator have?

A: The Cold Room Evaporator is certified with CE and ISO.

Q: What is the minimum order quantity for the Cold Room Evaporator?

A: The minimum order quantity is 1.
