

Industrial 38.3KW R404A Evaporator In Refrigeration System with Scale Prevention

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

Product Specification

- Fan Quantity: 2
- Feature: Not Easy To Scale
- Temperature: High, Medium, Low Temperature
- Fin Material: Aluminum
- Power Source: Electric
- Fin Color: White
- Capacity: 38.3KW(R404A)
- Transport Package: Transport Package
- Highlight: **R404A Refrigeration System Evaporator ,
Industrial Refrigeration System Evaporator ,
38.3KW Refrigeration System Evaporator**

Experience the Power of Pure
Refreshing Air with DaMai Air-Cooled Air Cooler

EVAPORATOR

DaMai Air-Cooled Air Cooler

a perfect blend of performance, elegance, and innovation. Designed to deliver a powerful cooling experience with energy efficiency in mind, this advanced air cooler harnesses the natural force of wind and water to provide a refreshing breeze that revitalizes your space.

With its sleek design and whisper-quiet operation, the DaMai cooler is ideal for homes, offices, and industrial environments alike. Engineered with cutting-edge air-cooling technology, it ensures fast, even air distribution while maintaining eco-friendly performance and low operational costs.

Let DaMai transform your environment into a haven of comfort and freshness — naturally cool, effortlessly powerful.

Product Description:

Zhejiang Damae Cold Chain Equipment Co., Ltd.

At Zhejiang Damae Cold Chain Equipment Co., Ltd., we take pride in presenting a top-tier selection of air coolers, also referred to as air-cooled evaporators. These units are meticulously crafted for cold storage requirements, boasting unparalleled performance in maintaining precise temperatures.

Innovative Design and Exceptional Durability

Our air coolers are engineered with precision and fortified for long-lasting use. The careful design ensures efficient heat exchange and dependable temperature regulation, safeguarding the freshness and quality of perishable items stored in commercial or industrial settings.

Premium Preservation Solution

By choosing Damae air coolers, you opt for a premium preservation solution that guarantees optimal storage conditions for perishable goods. These units deliver reliable performance, enacting precise temperature control to preserve the integrity of your products effectively.

Features:

High-Efficiency Heat Exchange: Utilizes advanced aluminum finned copper tubes for fast and uniform cooling performance.

Low Noise Operation: Equipped with high-quality, low-noise axial fans to ensure quiet and stable operation.

Corrosion-Resistant Structure: Galvanized or coated casing options for enhanced durability in humid or low-temperature environments.

Easy Maintenance: Detachable side panels and user-friendly design for convenient cleaning and servicing.

Flexible Installation: Suitable for various ceiling-mounted configurations to maximize cold room space.

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Fin Material	Aluminum
Temperature	High, Medium, Low Temperature
Defrost	Electrical Type
Capacity	38.3KW(R404A)
Standard Power Supply	380V-3phase-50hz
Power Source	Electric
Feature	Not Easy To Scale
Coil Type	Copper Tube And Aluminum Fin
Transport Package	Transport Package
Capacity	10,000 BTU/hr

Applications:

Cold storage warehouses, also known as refrigerated warehouses, are facilities specifically designed to store perishable items at low temperatures to extend their shelf life.

Walk-in freezers and chillers are essential components of cold storage warehouses, providing large spaces where products can be stored at below freezing temperatures or at a controlled chilled environment to maintain freshness.

Food processing and preservation facilities play a crucial role in the food industry, ensuring that raw ingredients and finished products are stored in ideal conditions to prevent spoilage and contamination.

Pharmaceutical storage rooms are specialized areas within a facility that are designed to store drugs and medications at specific temperatures to maintain their efficacy and safety.

Fruit, vegetable, meat, and seafood storage requires precise temperature control and humidity levels to ensure that these perishable items stay fresh and safe for consumption until they reach the end consumer.

Customization:

Product Customization Services for the Cold Room Evaporator:

- Brand Name: DM
- Model Number: DM-COOLER-DD/DJ/DL
- Place Of Origin: China
- Certification: CE ISO
- Minimum Order Quantity: 1
- Price: \$1000-\$100000
- Packaging Details: Customization
- Delivery Time: 20 days
- Payment Terms: TT, L/C
- Supply Ability: 300,000/Year
- Key Words: Air Cooler, Evaporator In Refrigeration System, Industrial Evaporator, Evaporation Air Cooler
- Temperature: High, Medium, Low Temperature
- Power: All Available
- Fin Material: Aluminum
- Standard Power Supply: 380V-3phase-50hz

Support and Services:

Our Product Technical Support and Services for the Cold Room Evaporator include:

- Installation guidance and support
- Troubleshooting assistance for technical issues
- Maintenance recommendations for optimal performance
- Repair services for any malfunctions
- Product training and user manuals

FAQ:

Q: What is the brand name of the Cold Room Evaporator?
A: The brand name of the Cold Room Evaporator is DM.
Q: What is the model number of the Cold Room Evaporator?
A: The model number of the Cold Room Evaporator is DM-COOLER-DD/DJ/DL.
Q: Where is the Cold Room Evaporator manufactured?
A: The Cold Room Evaporator is manufactured in China.
Q: What certifications does the Cold Room Evaporator have?
A: The Cold Room Evaporator is certified with CE and ISO.
Q: What is the minimum order quantity for the Cold Room Evaporator?
A: The minimum order quantity for the Cold Room Evaporator is 1.
