

000 BTU/hr Capacity Cold Room Evaporators Steel Plate Casing for Performance

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

Product Specification

- Fin Material: Aluminum
- Power Source: Electric
- Capacity: 38.3KW(R404A)
- Coil Type: Copper Tube And Aluminum Fin
- Defrost: Electrical Type
- Standard Power Supply: 380V-3phase-50hz
- Fan Quantity: 2
- Power: All Available
- Highlight: **000 BTU/hr Cold Room Evaporators,
Performance Cold Room Evaporators,
Steel Plate Casing Cold Room Evaporators**

Product Description

DM-Air Cooler/Evaporator

DM Air Cooler is the three-air-outlet air cooler is specifically engineered for large cold storage rooms requiring uniform temperature distribution. Featuring a triple-directional airflow design, this unit ensures even cooling across wide spaces, minimizing temperature gradients and improving overall storage efficiency. Built with high-quality aluminum fins and copper tubing, it delivers excellent heat exchange performance while maintaining low energy consumption. Ideal for medium to low temperature applications, this air cooler combines reliability, durability, and ease of maintenance.

Product Description:

Zhejiang Damai Cold Chain Equipment Co., Ltd. is pleased to present a top-notch selection of air coolers, which are commonly referred to as air-cooled evaporators, tailored explicitly for cold storage purposes. Crafted with accuracy and constructed to last, our air coolers deliver effective heat transfer and dependable temperature regulation, guaranteeing the ideal maintenance of perishable items.

Features:

High-Efficiency Heat Exchange: Utilizes advanced aluminum finned copper tubes for fast and uniform cooling performance.

Low Noise Operation: Equipped with high-quality, low-noise axial fans to ensure quiet and stable operation.

Corrosion-Resistant Structure: Galvanized or coated casing options for enhanced durability in humid or low-temperature environments.

Easy Maintenance: Detachable side panels and user-friendly design for convenient cleaning and servicing.

Flexible Installation: Suitable for various ceiling-mounted configurations to maximize cold room space.

Zhejiang Damai Cold Chian Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.☺

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.☺

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.☺

We want to establish a bright future with potential partners together!☺

Technical Parameters:

Fin Material	Aluminum
Defrost	Electrical Type
Power	All Available
Standard Power Supply	380V-3phase-50hz

Capacity	38.3KW (R404A)
Key Words	Air Cooler, Commercial Evaporative Air Cooler, Evaporation Air Cooler
Temperature	High, Medium, Low Temperature
Coil Type	Copper Tube And Aluminum Fin
Power Source	Electric
Transport Package	Transport Package

APPLICATION

Applications:

Cold storage warehouses are specialized facilities designed for storing products at low temperatures to maintain their quality and freshness. These warehouses are equipped with systems such as walk-in freezers and chillers to regulate temperature and humidity levels according to the specific requirements of the goods being stored.

A key feature of cold storage warehouses is their ability to cater to various industries, including food processing and preservation facilities. These facilities utilize the controlled environment provided by cold storage warehouses to extend the shelf life of perishable food items and maintain their nutritional value.

In addition to food products, cold storage warehouses are also used for pharmaceutical storage rooms. The stringent temperature and humidity controls in these facilities are critical for preserving the efficacy and safety of medications and vaccines, ensuring they remain potent and uncontaminated.

Cold storage warehouses play a vital role in the storage and distribution of various perishable goods, including fruits, vegetables, meats, and seafood. The cold chain logistics provided by these facilities help prevent spoilage and maintain the quality of products from farm to fork, ensuring consumers receive fresh and safe products.

Customization:

Product Customization Services for the Cold Room Evaporator:

- Brand Name: DM
- Model Number: DM-COOLER-DD/DJ/DL
- Place Of Origin: China
- Certification: CE ISO
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20 days
- Payment Terms: TT, L/C
- Supply Ability: 300000/Year

- Fan Quantity: 2
- Defrost: Electrical Type
- Transport Package: Transport Package
- Temperature: High, Medium, Low Temperature
- Key Words: Air Cooler

Keywords: Commercial Evaporative Air Cooler, Cool Room Evaporators, Evaporation Air Cooler

Support and Services:

Our Cold Room Evaporator product comes with comprehensive Product Technical Support and Services to ensure optimal performance and customer satisfaction. Our team of experts is available to assist with installation, troubleshooting, and maintenance of the evaporator unit. We provide timely responses to inquiries and offer technical guidance to address any issues that may arise. Additionally, we offer training programs to educate users on the proper use and care of the product, ensuring long-term functionality and efficiency.

FAQ:

Q: What is the brand name of the Cold Room Evaporator?

A: The brand name is DM.

Q: What is the model number of the Cold Room Evaporator?

A: The model number is DM-COOLER-DD/DJ/DL.

Q: Where is the Cold Room Evaporator manufactured?

A: It is manufactured in China.

Q: What certifications does the Cold Room Evaporator have?

A: It is certified with CE ISO.

Q: What is the minimum order quantity for the Cold Room Evaporator?

A: The minimum order quantity is 1.
