

38.3KW R404A Capacity Cold Room Evaporator with Copper Tube And Aluminum Fin Coil Type Air Cooler

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DD/DJ/DL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT,L/C
- Supply Ability: 300000/Year

Product Specification

- Highlight: **Copper Tube Cold Room Evaporator,
Aluminum Fin Coil Cold Room Evaporator,
38.3KW Cold Room Evaporator**

DM-Air Cooler/Evaporator

DM Air Cooler is the four-air-outlet air cooler is specifically engineered for large cold storage rooms requiring uniform temperature distribution. Featuring a triple-directional airflow design, this unit ensures even cooling across wide spaces, minimizing temperature gradients and improving overall storage efficiency. Built with high-quality aluminum fins and copper tubing, it delivers excellent heat exchange performance while maintaining low energy consumption. Ideal for medium to low temperature applications, this air cooler combines reliability, durability, and ease of maintenance.

Product Description:

Zhejiang Damae Cold Chain Equipment Co., Ltd. is pleased to introduce a top-quality selection of air coolers, recognized as air-cooled evaporators, tailored exclusively for refrigeration purposes. Meticulously crafted and constructed to withstand wear, our air coolers deliver effective thermal transfer and consistent management of temperature, securing the ideal storage conditions for perishable items. Dedicated to excellence, our air coolers are engineered with precision and utmost integrity, prioritizing longevity and optimal performance. At *Zhejiang Damae Cold Chain Equipment Co., Ltd.*, we are committed to providing solutions that ensure the prolonged freshness and quality of sensitive merchandise, delivering peace of mind to our clients in the storage and preservation of goods.

Features:

- High-Efficiency Heat Exchange:** Utilizes advanced aluminum finned copper tubes for fast and uniform cooling performance.
- Low Noise Operation:** Equipped with high-quality, low-noise axial fans to ensure quiet and stable operation.
- Corrosion-Resistant Structure:** Galvanized or coated casing options for enhanced durability in humid or low-temperature environments.
- Easy Maintenance:** Detachable side panels and user-friendly design for convenient cleaning and servicing.
- Flexible Installation:** Suitable for various ceiling-mounted configurations to maximize cold room space.

Zhejiang Damai Cold Chian Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.
 We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.
 At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.
 We want to establish a bright future with potential partners together!

Technical Parameters:

Defrost	Electrical Type
Transport Package	Transport Package

Fan Quantity	2
Casing	Steel Plate With Plastic Spray
Standard Power Supply	380V-3phase-50hz
Temperature	High, Medium, Low Temperature
Power	All Available
Key Words	Air Cooler
Fin Color	White
Coil Type	Copper Tube And Aluminum Fin

Applications:

Cold storage warehouses

Cold storage warehouses play a vital role in preserving various goods at low temperatures to maintain their quality and freshness. These facilities provide a controlled environment for storing a wide range of products, from food items to pharmaceuticals.

Walk-in freezers and chillers

Walk-in freezers and chillers are designed for maintaining specific temperature levels to store perishable goods such as dairy products, meats, and vegetables. These units offer convenient access and efficient cooling solutions for businesses in need of reliable cold storage options.

Food processing and preservation facilities

Food processing and preservation facilities are equipped with advanced technologies to handle various stages of food production, packaging, and storage. These facilities ensure food safety standards are met while extending the shelf life of products through proper preservation techniques.

Pharmaceutical storage rooms

Pharmaceutical storage rooms are specially designed to meet strict temperature and humidity requirements for storing medications and vaccines. These rooms maintain the integrity of pharmaceutical products to ensure they remain effective and safe for use.

Fruit, vegetable, meat, and seafood storage

Cold storage facilities cater to the storage needs of a diverse range of products, including fruits, vegetables, meats, and seafood. Maintaining optimal temperature and humidity levels in these storage spaces is crucial to preserving the quality and freshness of perishable items.

Customization:

Product Customization Services for the Cold Room Evaporator:

Brand Name: DM

Model Number: DM-COOLER-DD/DJ/DL

Place Of Origin: China
Certification: CE ISO
Minimum Order Quantity: 1
Price: 1000-100000
Packaging Details: Customization
Delivery Time: 20 days
Payment Terms: TT, L/C
Supply Ability: 300000/Year
Fin Color: White
Fin Material: Aluminum
Capacity: 10,000 BTU/hr
Key Words: Air Cooler
Power: All Available
Keywords: Evaporator In Refrigeration System, Cold Room Air Cooler, Cold Room Evaporators

Support and Services:

Our Product Technical Support and Services for the Cold Room Evaporator include: -----

- Installation guidance and support to ensure proper setup
- Troubleshooting assistance for any operational issues
- Maintenance recommendations to keep the evaporator running efficiently
- Product training and resources for users to maximize performance
- Warranty coverage and repair services for any defects or malfunctions

FAQ:

Q: What is the brand name of the Cold Room Evaporator product? -----

A: The brand name is DM.

Q: What is the model number of the Cold Room Evaporator product?

A: The model number is DM-COOLER-DD/DJ/DL.

Q: Where is the Cold Room Evaporator product manufactured?

A: The product is manufactured in China.

Q: What certifications does the Cold Room Evaporator product have?

A: The product is certified with CE and ISO.

Q: What is the minimum order quantity for the Cold Room Evaporator product?

A: The minimum order quantity is 1.
